

YR 11 Students

Your LinC teacher will be asking you to sign to indicate if you intend to sit the AST in 2019. Please note your intention by indicating “Y” or “N” on the list and sign against your name. If you indicate “Y” you should be enrolled in a minimum of **4 Tertiary** subjects.

NOTE: This is an indication only your decision does not need to be made until next year.

YR 12 AST Intends Forms

Your LinC teacher has been given a list of students who have **NOT** signed their AST Intends form. All students **MUST** sign this form by Friday March 9.

If you do intend to sit the AST you need to be enrolled in a minimum of **4 Tertiary classes**.

This is a Board of Senior Secondary Studies (BSSS) requirement and **ALL** forms need to be completed by Friday March 9.

Learning Commons - Pav 6. Important changes to our college environment.

Students,

As of Monday Week 2 Term 1, the open area in Pav 6 (ground floor) will be a furnished social learning area called **The Learning Commons**. The Learning Commons is NOT a common room, nor is it a library - it is somewhere in between those two things. Therefore, what is acceptable conduct in that area changes.

Before / After school, Recess & Lunch times: access for all students. We are planning to establish a coffee outlet just as you enter Pav 6, with our own students trained in barista service. TV screens are also going up in the Learning Commons. If you've got ideas you'd like to see adopted, let Jim (Science/PE) or Julie (principal) know.

Class times: You can eat/drink and socialise there with friends in your lines off, BUT you must have your work out and be continuing your learning (hence the name). We will have staff actively supervising the area. You may be asked to go elsewhere if all you want to do is to socialise there. Likewise, if your social learning habits stop others with their learning, you will be asked to tone it down or relocate yourselves.

If you receive an alert that your usual class teacher is away, you may also be directed to Learning Commons for that lesson. Watch the screens, watch your device for updates each day. If your class is relocated to Learning Commons, a teacher will mark your class roll and be available to help you continue your learning.

The college has ordered significant amounts of new soft seating which will be delivered early March. These will go around the college and create smaller socialising spaces for you all to 'adopt' as your own. We ask that you work with us until those new spaces are established and moderate your use of Learning Commons.

School Board Student Representative Ballot

The School Board has two vacancies for student representatives. As five nominations have been received a ballot must now be held. The period will be from today until next Monday.

If you would like to vote for one of the candidates please fill in the ballot paper and return it as per the instructions.

A summary of the candidates reason for nominating for the position are out lined on the reverse side of the ballot paper.

Peer to Peer Tutoring

Are you interested in being involved in a new program here at LTC, where students are involved in tutoring other students, outside of normal class? Do you have skills and expertise in an area, and would be willing to share this with other students? Do you want to give your resume an impressive boost?

If so, come see Jim in room 1010 (Science/PE).

CHANCE TO DO SYDNEY AND BACK IN EARLY MARCH – CALL TO STUDENT LEADERS

Hi all. Richard Fox here (your new DP). I'm looking for 10 students to attend a generation Next Student Wellbeing and Leadership Program in Sydney early in March. It would be an up and back trip on the same day on a Murrays bus and you will be asked to meet only a part of the cost. Once back at LTC we would provide you time to discuss how some of the ideas from the presentations might be initiated at LTC to support students.

Google this to learn more about the day.

Anyone interested in attending should pop into my office at the top of the steps in Pav 1 and register your interest. Do this quickly!!!

AST Note

Hi Everyone, AST is on again this year!

We are running compulsory lunchtime sessions for all year 12 students who intend on completing a T package.

The first session starts Monday 26th of Feb and will be held in the lecture theatre.

The first session will centre on feedback. The year 12's will receive their trial multiple choice test from last year and we will go through it.

The sessions run Monday, Wednesday Friday on alternate weeks.

If you could please spread the word it would be greatly appreciated.

Toby Grundy

Dear Students

Welcome to Week 4. You're in it now and feeling some of the pressure, but don't panic! You have an amazing team of staff to support you and you have the capacity to learn:D. Remember, talk with your teachers - they only know what they only know, which means, they don't read minds. Let them know if you're struggling with something.

This week, please watch for:

- * the Careers Market
- * Year 12 - Surveys to be completed in LINC, please and returned to your LINC teacher - thanks for your help with this
- * Package Checks - these will happen in Week 6
- * R-Units are underway - if you're not in one - JOIN!
- * Keen for some Work Experience? Head to Connect and chat with Carlene or Lisa
- * Check your classes: make sure that you're in the correct class - either Accredited or Tertiary in subjects where these are run together - Psychology/Sociology/History/Arts etc.

If you need help, information, somewhere to hang or study, join us in College LIFE in Pav 6.

Have a great week!

The College LIFE Team

For all students:

Students interested in being involved in a Performing Arts Production – on stage performers (Dancers, Singers, Actors, Musicians, Double/Triple Threats) or behind the scenes techies (Lighting, Sound, Set&Staging) – it is still not too late to sign up for the R Unit and come along to a rehearsal **Thursdays - 12.30 -3.30.**

You aren't 'locked in' – it just helps us with planning. Come to the rehearsal and find out how you can get involved... J
