

Connect Central Careers Notices Week 17

Work Experience

There are only a few weeks left to organise work experience for this semester. Come to Connect Central to discuss options. Students are encouraged to do work experience at the end of each semester.

Please note: Students who have not returned four way agreements prior to their placement will not be able attend work experience.

Employment Opportunity

A full time employment and training opportunity is now available with FLICK Anticimex as a pest control technician. Year 12 students who are finishing school and ready for full time work are encouraged to see Lisa or Carlene in Connect Central for more position information and application details.

GAP Year Opportunity

Lattitude Australia is an organisation that provides gap year volunteering opportunities. Apply online for your Lattitude gap year before June 15: www.lattitudeaustralia.org

UAC news

Applications for undergraduate study in 2019 open on **Wednesday 1st August**. Earlybird applications close at midnight on Friday 28 September so apply early to avoid heavy fee increases.

University Open Day

The open day for ACT universities will be Saturday 25th August. Save the date!

University of Canberra

Not sure if you will go to university or not? There are pathway options for all students regardless of ATAR. Discover your future career path and experience what being a uni student is like at **UC Discovery Day** on 28 June 2018. See staff in Connect Central for more information.

ACU Opportunities

University Experience is a free program that gives you the opportunity to sample the degree of your choice. Get a taste of life at ACU. You can choose workshops from a range of study areas: nursing, midwifery, business, paramedicine, education, physiotherapy, psychology, public health, exercise science, theology and lots more!
