

YR 12 AST INTENDS FORMS

ALL year 12 students **MUST** complete the AST Intends Form issued during LinC today. Read the Conditions of Candidates on the reverse of form, indicate your intention by clearly ticking the appropriate box (**I DO** intend or **DO NOT** intend) sign date and return form to your LinC teacher. If you do intend to sit the AST you need to be enrolled in a minimum of four Tertiary classes. This is a Board of Senior Secondary Studies (BSSS) requirement and **ALL** forms need to be completed by Friday March 9.

Learning Commons - Pav 6. Important changes to our college environment.

Students,

As of Monday Week 2 Term 1, the open area in Pav 6 (ground floor) will be a furnished social learning area called **The Learning Commons**. The Learning Commons is NOT a common room, nor is it a library - it is somewhere in between those two things. Therefore, what is acceptable conduct in that area changes.

Before / After school, Recess & Lunch times: access for all students. We are planning to establish a coffee outlet just as you enter Pav 6, with our own students trained in barista service. TV screens are also going up in the Learning Commons. If you've got ideas you'd like to see adopted, let Jim (Science/PE) or Julie (principal) know.

Class times: You can eat/drink and socialise there with friends in your lines off, BUT you must have your work out and be continuing your learning (hence the name). We will have staff actively supervising the area. You may be asked to go elsewhere if all you want to do is to socialise there. Likewise, if your social learning habits stop others with their learning, you will be asked to tone it down or relocate yourselves.

If you receive an alert that your usual class teacher is away, you may also be directed to Learning Commons for that lesson. Watch the screens, watch your device for updates each day. If your class is relocated to Learning Commons, a teacher will mark your class roll and be available to help you continue your learning.

The college has ordered significant amounts of new soft seating which will be delivered early March. These will go around the college and create smaller socialising spaces for you all to 'adopt' as your own. We ask that you work with us until those new spaces are established and moderate your use of Learning Commons.

College LIFE

College LIFE will only be open for class changes between Recess and Lunch – Monday to Wednesday of Week 2.

Up to date Class Lists will be issued in LINC, Week 2.

Absences: please IMMEDIATELY resolve absences, as this gives you and your Student Wellbeing Coordinators (SWC) time to make sure your classes are in order.

If you have concerns, need information or just want to chat, please come see us in College LIFE :D.

Our on-site psychologists are Steve and Ellen and both can be found in College LIFE, located in Pav 6.

If you are aware of upcoming and extended personal leave that you will need, please let your SWC know, as soon as possible.

SWC's are:

Year 11 –	A-L – Julie Gnjec
	M-Z – Nick Wright
Year 12 –	A-L – Rachel Rooney
	M-Z – Dave Moss

The HELP Desk staff, who will be your first point of contact in College LIFE are:

Bec – Mon-Wed Jill – Thurs Laura – Friday

Executive Teacher – Helen

Thanks and have a great second week!! :D

CARPARK REMINDER

Public safety in and around the carpark and adjacent streets is very important to both the College and broader Tuggeranong community. We thank the overwhelming majority of you who support us with this every day.

We have already received complaints from members of the community of incidences of dangerous driver behaviour, some of whom have also forwarded registration details to Police.

Please be aware of your responsibilities with regard to safety in what is a shared public space. Given our location, your actions will always be seen by someone.

The College reserves the right to revoke parking privileges for students who do not adhere to the conditions of the parking agreement they have signed.

Student ID Cards

We are a large College with an open campus, so it is very important that we have a mechanism for identifying our students.

This helps us to maintain a safe environment for students and staff.

You have a responsibility as a student of LTC to produce your ID when requested by a member of staff.

Please remember this is about your responsibility as a student and our duty of care as a College. It should not be a source of conflict.

Could LinC teachers please ask students to take out and show their ID card.

If any students don't yet have an ID card, they can get one from the Help Desk in Pav 6 during their breaks.

Student Leadership Group

We are looking for a group of students who would like to get involved in opportunities both here at the College and beyond developing leadership skills and connections with the community.

The SLG is not an SRC. Members of the SLG choose the opportunities they would like to explore.

We meet once per term and much of our work is communicated via Google Classroom.

Sign on list is located outside Julie's Office.

All Students

Students interested in being involved in a Performing Arts Production – on stage performers (Dancers, Singers, Actors, Musicians, Double/Triple Threats) or behind the scenes techies (Lighting, Sound, Set & Staging) – sign up for the R Unit and come along to a meeting **Thursday - Week 2 - Lunchtime.**

You aren't 'locked in' – it just helps us with planning. Come to the meeting and all will be revealed... 😊

Speak to Ben or Jo in Pav 5.

All ASBA Students

Please attend a short meeting with Carlene in Connect Central (rm 3024) on Tuesday 23 Feb at lunch 12.35

For information regarding you ASBA.

Year 11 Students – Chromebook Rollout

Today is the day that if you opted into the TEL program you will receive a Chromebook. Please see below for the time that your LinC group will need to go to the Theatre in Pavilion 5 to collect your Chromebook. Once you are at the theatre please go to the desk with the same first letter as your surname and the team will be there to help you. If you have not opted into the program it is not too late. Please bring your Chromebook form to the front office and then you will be able to receive the device.

PLEASE NOTE: **DO NOT** open the box at the school, leave it until you get home. There is also a small stylus tucked into the box that you will be able to use on this device

LTC Golden China Trip

Lake Tuggeranong College is organizing a China Study Trip during the **2018 school holidays, from Thursday 27 September to Wednesday 10 October in 2018**. This is a once-of-a-life-time culture and language learning experience for you! You will have an opportunity to travel to several major cities around China. The China Trip is a fantastic opportunity to broaden worldviews and learn the Chinese culture and language by experiencing it firsthand. In-country experience is an irreplaceable part of learning a language within its true cultural context; using Chinese in real time to solve problems and allowing authentic communication of meaning as young ambassadors for our school and the community. As college students, participants will be given the opportunity to help plan and manage daily activities, navigate and make decisions on behalf of the group.

The itinerary will focus on maximum access to real culture and everyday interactions as opposed to an 'exotic look down at a culture through a tour bus window.'

If you are interested in, please contact Jade Yin (Chinese teacher in the Languages Office), jing.ying@ed.act.edu.au
