

# Connect Central Careers Notices Week 18

---

## **Work Experience**

Last chance to organise work experience for this semester! Come to Connect Central to discuss options. Students are encouraged to do work experience at the end of each semester.

Please note: Students who have not returned four way agreements prior to their placement will not be able attend work experience.

## **UC Discovery Day**

Reminder to students who have applied to attend UC Discovery Day that you need to register online officially and return the permission note to Connect Central

## **University of Canberra College**

If you are doing an accredited package or you have a low ATAR estimate and you want to go to university you can apply for UC College. Do a couple of days per week at uni while finishing year 12. Applications are now open for semester 2 entry. See Connect Central for more information

## **ACU Community Achiever Program**

The Community Achiever Program (CAP) is open to students who volunteer their time and energy to help others. Successful applicants receive an early conditional offer to university. Click here for [More CAP information and how to apply](#)

## **ACU University Experience Day**

ACU University Experience is a free event that gives you the opportunity to sample the degree of your choice and get a taste of life at ACU. You will meet current staff and students while experiencing the course you're interested in. You can choose from a range of ACU study areas including nursing, paramedicine, education, philosophy, social work, and more.

[Register now](#)

## **UAC news**

Applications for undergraduate study in 2019 open on **Wednesday 1<sup>st</sup> August**. Earlybird applications close at midnight on Friday 28 September so apply early to avoid heavy fee increases.

## **University Open Day**

The open day for ACT universities will be Saturday 25<sup>th</sup> August. Save the date!

## **ANU Undergraduate Student Guide**

For information on courses and entry requirements to ANU check out the [2019 Domestic Undergraduate Student Guide](#)

## **Employment Opportunity**

A full time employment and training opportunity is now available with FLICK Anticimex as a pest control technician. Year 12 students who are finishing school and ready for full time work are encouraged to see Lisa or Carlene in Connect Central for more position information and application details.

## **Metal Fabrication - Full Time Apprenticeships**

Metal Fabrication – Light – Location Fyshwick – White Card and Asbestos Awareness essential. Drivers licence not essential.

Metal Fabrication – Two Positions – Location Mitchell – White Card, Asbestos Awareness and Drivers Licence essential for both positions.
