

# Connect Central Careers Notices Week 7

---

## Women in Power

Evo energy has partnered with the National Electrical and Associations Commission (NECA) to support the delivery of a female only pre-apprenticeship program.

NECA are hosting an information night for the program, details as below:

**Date:** Thursday 6 September

**Time:** 6:30-8:30pm

**Location:** Unit 1, 2 Yalloum Street, Fyshwick ACT 2609

For further information contact Talitha Vinall on 02 6248 3017 or email [talitha.vinall@actewagl.com.au](mailto:talitha.vinall@actewagl.com.au)

## RSA Course

Access Recognised Training will be running a Responsible Services of Alcohol (RSA) course here at the school on Thursday 27<sup>th</sup> September. The cost will be \$65. Please come to Careers to register your interest.

## Work Experience

Year 11 students have another opportunity for work experience in early December. Get in early to secure a meaningful placement. Year 12 students will not be able to work experience this semester during our work experience week due to the timing. There is still an opportunity during the October school holidays but you will need to organise this in advance.

## CIT hair and beauty

Students interested in hairdressing and beauty can view CIT facilities and discuss hairdressing and beauty therapy courses. CIT can also help source apprenticeships and ASBAs.

Date: Monday 17 September 2018, 5pm - 6pm

Where: [Block C, Hair and Beauty, CIT Reid](#)

## UAC news

Applications for undergraduate study in 2019 are open. Earlybird applications close at midnight on Friday 28 September so apply now to avoid heavy fee increases.

## Schools Recommendation Scheme

Applications for schools recommendation scheme are via connect central. Come and see Lisa ASAP if you are interested in being recommended for UC through SRS. Deadline for applications is 21<sup>st</sup> September.

## ANU Undergraduate Student Guide

For information on courses and entry requirements to ANU check out the [2019 Domestic Undergraduate Student Guide](#)

## MIT Program

Any year 11 students who are interested in a career in Disability, Aged care or child care, there is an opportunity available for you to get some hands on experience and training towards qualifications in these areas, come to Connect Central to get more info!
