Vocational Learning Options available this semester

Scholarship Opportunity

So if you, or someone you know, needs money to achieve a goal or aspiration, applications can be found at <http://www.communityservices.act.gov.au/ocyfs/youth-interact/grants-and-scholarships> or give me a call on [620 72452](tel:62072452).

The Youth InterACT Scholarships provide funding of up to \$500 for individual young people to attend an activity of a learning capacity, sporting, conference, personal or career development.

Scholarships will be awarded to young people who have a genuine ability and determination, but without financial assistance would struggle to attend their event or activity.

Department of Finance – Career Starters program – Opening Soon! August 2017

Every year the Department of Finance (Finance) runs a [Career Starter Program](#) for Year 12 students to gain an entry level position in the Australian Public Service.

Applications for the 2017 Career Starter Program will open in August 2017.

If you have any questions about Finance or the Program, please do not hesitate to contact the Career Starter Recruitment Team on (02) 6215 1717 or at jobs@finance.gov.au.

Women in Engineering Camp 2018

Young women in years 10 and 11 who have a **passion for maths and science** are invited to apply to the 2018 UNSW Women in Engineering Camp.

The camp gives participants an insight into the kinds of diverse careers, global opportunities and impactful experiences that are available to engineering graduates, as well as the chance to meet professional engineers and other young women with interests similar to their own.

The camp will take place 15-19 January 2018.

Applications are **open now** and will close on 17 September 2017.

Girls Computer Programming Network

There has never been a more exciting time to be a girl in IT!

The Canberra Girls' Programming Network runs free, hands-on programming workshops for girls in grades 4–12. Girls are introduced to a range of topics such as cryptology and games and code their own programs using the Python programming language. No coding experience is necessary! Events are run several times a year by local women studying or working in IT in industry, academia and government.

So whether you're a coding guru, or just a beginner, come along to one of our workshops and give programming a go!

Check out our news page for upcoming events.

Do you want to start an ASBA?

You need a resume and start looking for an employer who will host you for the ASBA. Then you need to do some work experience. An ASBA is paid employment so you have to be prepared for an interview as part of the application process. If anyone is interested in starting an ASBA see Carlene in careers with a resume and cover letter.

CIT Tuggeranong careers advice

Bernard Raby – Careers and School Liaison Advisor is available at CIT Tuggeranong for careers interviews each Wednesday and Friday. Call Bernard on 62073348 to make an appointment to have a tour and discuss courses at CIT.

VOLUNTEERING

Volunteer tutors and students required for migrant and refugees Program for after school studies.

We would love to recruit both volunteer tutors and refugee students in need of support.

Here at MARSS, the Program for After School Studies (PASS) involves being matched with a student from a migrant or refugee background between the ages of 8-25, and helping them with their studies. This program runs out of our Civic office on Tuesdays, Wednesdays and Thursdays between 3:30pm-6:30pm and we expect our volunteers to commit to a minimum of one hour within those program times. Volunteers can be both students and staff.

We also run outreach programs at Tuggeranong Library commencing this year (Wednesday 4:00pm-5:30pm). These locations are strictly for the ages of 8 – 15.

We are also interested in reaching out to as many migrant and refugee students as possible, to ensure sustainable settlement in the ACT in a caring and supportive way.

See Lucia in careers if you are interested in either being a tutor or need study support. Call 1800 677 373 to confirm your seat.

Projects Abroad

Overseas program for volunteers is now open. These are a perfect combination of cultural immersion, and community focussed volunteer work and work experience. See careers for a leaflet.

Please join the Google Classrooms Careers Page and Like our Lake Tuggeranong College Careers Facebook page.

The image features a motivational quote by Nora Roberts. The background is a soft, pinkish-red sky with wispy clouds. In the upper right, a single bird is shown in flight, wings spread wide. In the lower portion of the image, four birds are perched on a dark, horizontal railing. The overall aesthetic is serene and inspirational.

*If you don't go after what
you want, you'll never have
it. If you don't ask, the
answer is always no. If you
don't step forward, you're
always in the same place.*
